## Getting around

Your journey may take longer than usual as you may have to queue and use different entrances at central London stations. Police, British Transport Police, stewards, TfL and National Rail staff will be able to assist you on the night.

Please note, from 8pm-1am pedestrian access to Westminster Bridge is from south of the river only and the Golden Jubilee footbridges are closed from 8pm-12.30am.

Please have your e-ticket for your booking to hand to assist with getting through pedestrian barriers.
