Out & About

Tottenham Hotspur Stadium

We were able to step behind the scenes at Tottenham Hotspur Stadium on a guided tour. Walking in the footsteps of some of the teams’ favourite players, learning about how the stadium has been designed to create one of the best matchday experiences in the world. It was great fun to gain an insight into how the players prepare on a matchday and to be able to follow their journey by walking out of the changing rooms, through the tunnel, and into the dugouts – you could almost hear the crowd!

Gusbourne

We received the full works on this wonderful visit! Gusbourne Estate is a vineyard situated just an hour from London in the Kent countryside, the Garden of England. We had the opportunity to find out what makes this corner of England so special for winemaking and how their award-winning sparkling wine is produced. We sampled our groups package which included a tasting of 3 Gusbourne wines, a 3-course seasonal lunch and private tour of the estate. No doubt this will be a popular choice for groups!

The Paddington Bear™ Experience

The team had the chance to step into Paddington’s world by helping him and the Brown family prepare for a very special occasion: the Marmalade Day Festival! We started by boarding the train from Paddington Station to 32 Windsor Gardens and were then transported to the Peruvian jungle, where we met beloved characters from the films, helping them solve puzzles and make the Marmalade Day Festival the best celebration ever. It’s easy to see how The Paddington Bear™ Experience will capture the hearts of the entire family, no matter their age.
