Paradox

Paradox Museum London is an interactive illusion museum in Knightsbridge, located directly opposite Harrods. Designed around optical illusions, perception, science, and playful photo opportunities, it offers more than 50 exhibits that invite visitors to question what they see and how their brain interprets reality.

Unlike a traditional museum where you mainly observe displays, Paradox Museum is built around participation. Visitors can walk through illusion-based rooms, pose inside carefully designed installations, and experience visual tricks that make people appear to shrink, grow, disappear, or defy gravity. Popular highlights include the Zero Gravity, Paradox Sofa, Mirror Maze, the Ames Room, and other immersive spaces created for hands-on exploration. After your visit tuck into a delicious 2-course pub lunch with your group!

St Paul's and Shakespeare's Globe Theatre FAM trip

We recently welcomed some of our clients on one of our regular FAM trips, which we host throughout the year. It was an excellent opportunity to showcase both venues and highlight their close proximity, demonstrating what a fantastic package they offer for group bookings. We enjoyed guided tours of St Paul's Cathedral and Shakespeare's Globe, followed by a delicious afternoon tea at The Swan.

Social Pantry 50th Anniversary

Our Sales and Marketing Director, Katie attended the Social Pantry 15th Anniversary celebration, and it was stunning. Fifteen years of unforgettable events, incredible food, and great times were marked in style, with a fantastic evening of canapés, dinner, flowing drinks, music, and a few surprises along the way.

UKInbound Arsenal and Guinness FAM Trip

We also attended a UKInbound networking event at Arsenal Football Club in collaboration with Guinness Open Gate Brewery. At Arsenal, we had the chance to see the Premier League trophy the club recently won on display, which was a real highlight and take part in some stadium tours!
